### HOURS

Mandatory Rules Meeting at 5:30am on October 7 at the South Shore Boat Launch. Tightline staff will direct you to the exact location of the meeting on the day of the event. At least one team member must be present at meeting.

Tournament hours are from 7am to 3:00pm on October 7.

All boats must be off the water by 5pm on October 6. Boats and tournament anglers are not allowed back on Pueblo Reservoir until launch on October 7. You must be at the check in site by 3:00pm. Being late will be cause for immediate disqualification.

### WEIGH-IN

The official tournament weigh site will be located at the South Shore Boat Ramp. Once the event is over anglers are encouraged to load their boat and drive to the weigh-in station located at the group picnic area near the boat launch. Once at the weigh station one angler will take the fish to the scale and the other will pull their truck/trailer forward and park it. Anglers can also pull their boat up on shore and weigh their fish that way. Dead fish will not be weighed.

### IF YOU CHOOSE TO NOT FISH UNTIL THE END OF THE EVENT

The weigh-in station will be in operation from 8am and remain open until the end of the event so if you wish to stop early you can weigh your fish at any time. Once you pull off the water you can not return.

### Bass Bag and Possession/Size Limits

Largemouth, Smallmouth, and Spotted Bass will be the only Bass eligible for legal weigh-in for this event. Each team can weigh 5 Bass (in aggregate between species). All Bass must meet the minimal legal length of 15". Each team (2 licensed adults) can possess their limit of 5 Bass each day, total of 10 in their live well and weigh the biggest 5. Once a fish is placed in your live well it can no longer be returned to the water until the end of the event. Once your 10th fish is placed in the well then you are done for the day and must go weigh your fish. Once at the scale and with tournament staff present you can then let your remaining fish go. Bringing a short fish to the scale will cause for immediate disqualification from the event.

### NOTE

The official measure board for this event is the EGO Measure Board. **MAKE SURE ALL FISH BROUGHT TO THE SCALE ARE WITHIN LEGAL LENGTHS AND LIMITS.** Bringing in a Bass less than 15" will result in an immediate disqualification.

### BOUNDARIES

### SPEED LIMITS
