

# 2023 ICE FISHING TOURNAMENT SERIES

## TIGHTLINE OUTDOORS ICE ADDICTION

PRESENTED BY

# NEW FOR 2023!

**We are beyond excited to bring you the 2023 Ice Addiction Series! We had some great insight last year and have been working hard to implement some new concepts into the series. We truly feel this is going to be the strongest Ice Addiction year in history!**

- We are excited to bring you a NEW REGISTRATION SYSTEM that allows you to use an app-based system or a homepage on your computer or phone. This new system is faster and more streamlined, allowing you to register for multiple events at once, quickly and easily.
- The new registration system will allow us for a much faster and easier check in using a QR CODE ON YOUR DEVICE or a PRINTED TICKET.
- The new system will have a LIVE LEADER BOARD for you to view while on the ice. The live leader board will be available from 8am to 11am on event days and after the awards.
- The new system will allow us to WEIGH and RECORD FISH FASTER at the scale.
- The new system will allow for BETTER UPDATES and COMMUNICATION from us on important topics.
- MORNING CHECK-IN: Anglers will NOT be able to line up or save a place in line the day prior. Anglers can only get in line starting at 4am on the day of the event.
- All Anglers (registered or not) are required to be OFF THE DESIGNATED FISHING COURSE BY 5PM THE DAY PRIOR TO THE EVENT.
- ANGLERS MUST HOOK THEIR OWN FISH AND NEVER PASS THE ROD TO ANYONE ELSE! Anglers must use only their own rod. Unattended rods will be reeled up and will lead to a DQ of that angler. Ice Addiction defines the word "attended" as: actively fished or monitored. You must be near the rod, watching and/or actively fishing the rod.
- ANGLERS CAN HELP ONE ANOTHER LAND A FISH at the hole as long as both parties are in agreement and the angler fighting the fish gives consent to the other party who is helping land the fish.
- All "BAIT" LAWS fall under state law and the laws on that body of water. If you have questions please ask prior to the event. This goes for live, dead, and artificial bait.
- ANONYMOUS TEXT LINE- In the event of witnessing foul play or anything of question you can anonymously text or call (720) 933-5991. Please give a description of what is happening and a rough location and the problem will be looked upon. If possible, send a picture or video. PLEASE utilize this immediately upon witnessing your concern so we can address it right away. We can not go back in time to fix things and need to address them immediately. We strive to host the most fair and fun events in the country.
- All TRAVEL to and from the ice on tournament day must be on the MAIN TRACK which will be marked via the Tightline Outdoors blow up arch. This includes to and from vehicles, parking lots, taking breaks, restrooms, etc. The main track will be conveniently placed and not a hassle.
- NO SAVING SPOTS ON THE ICE. You must go on the ice and personally select your hole. This will be closely monitored and enforced.
- SHELTER OR COVERING - Ice shelters are NOT allowed to be used at the event. We have had anglers wanting a tent or cover during snowy conditions. In the event of a covering, all shelters must be open on all sides and Ice Addiction officials MUST be able to see the entire angler at all times, from all directions.
